**Maine DOT Testing Laboratory Building  
Freeport, ME**

Interior finishes are almost complete on this new 4,000 s.f. wood-framed building in Freeport. State of the art facility for testing concrete, asphalt and aggregates. Will Ryder, Superintendent and Richard Leeman, Project Manager has done a great job in managing this project. The building should be completed on schedule and the Owner is very pleased with progress. Thanks to everyone who has worked on this project. Great job!

## Tax Relief Maine Residents Property Tax and Rent "Circuit Breaker" Refund

Summary of the Program Beginning August 1, 2006 for Refunds of Property Tax Assessed and Rent Paid During 2005. (Note: The program to apply for refunds of property tax assessed and/or rent paid during 2006 begins August 1, 2007.)

## Income Taxes

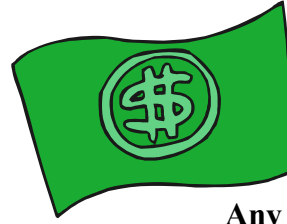

Income Tax Day is Friday, **April 17<sup>th</sup>**!

Don't forget to file your taxes!! If you have access to the internet, the IRS has a web page ([www.irs.gov](http://www.irs.gov))

that offers a lot of information to help

you file. There is some valuable information on the web page on how to e-file, and even a refund tracker so you can find out the status of your refund.

## Employee Referrals

We are looking for some new employees. Do you know someone who would be a good match with Ganneston Construction?

Any employee referring another person for employment will receive \$100 for each referral after they have successfully completed 90 days. If they stay for six months then you will receive another \$100. That's a total of \$200.00. WOW!!!
